

Forest of Galtres Camera Club

Monday 19th March

AGM

The annual dinner had been held at Easingwold Golf Club on Saturday evening and was declared by Vic Brookes, President of the Forest of Galtres Camera Club, a great success. Unfortunately, guest judge Mike Barnard and his wife were unable to attend. Travelling from the Bridlington area was not an option under the adverse weather conditions. Mike was judge for each category of the summer competition titles and was to declare an overall winner. Fortunately, the images to be considered were emailed to him in advance and he could in turn provide his conclusions which were shared with all present at the dinner.

The final winners of each section were as follows:

Food: David Warner for Hot Chilli

Fun: Amanda Moore for Photo Bomb

Tunnels: David Higgins for Tunnels End

Wildlife: Pam Pope for Great Spotted Woodpecker.

Pam won the Anglia Shield for the best overall image.

The AGM was held on Monday evening when members were reminded of the winners of the various trophies annually awarded:

Kamal Antoun won the Open Digital Pat Riggs Memorial Trophy;

Amanda Moore won the Portfolio Trophy;

Ken Proudley won Taff's Trophy for the best digital landscape image;

Amanda Moore won the Basil Sheard Trophy for the best portrait print:

Mike Wallis won the President's Trophy for the best open print;

Ken Proudley won the Towler Monochrome Print competition;

Peter Rushton won the Scriven Shield for most points gained in the Summer Competition Titles.

Many thanks to all committee members for their contribution to the life of the club. We welcome Mike Wallis as the next President.

As well as the regular competitions listed above, the summer competition titles will be:

In the Kitchen;

Dilapidation;

Water;

Night Photography.

There is plenty to challenge and keep all photographers busy until next season begins on 8th October. Enjoy the spring and summer months.
